

# ATTENTION BUSINESS MEMBERS!!!

## Enroll now in America's Schools National Printer Cartridge and Cell Phone Recycling Program

The Madera Chamber, along with your participation as a Chamber Member, will help benefit and enhance local educational programs in our K-12 schools. At the same time we all will help preserve the environment through recycling. Revenues from the Chamber's participation in this program will be directed to the Business and Education Committee who will determine and invest the funds received into local educational programs and scholarships.

### BY PARTICIPATING YOU WILL...

- └ CONTRIBUTE TO LOCAL K-12 SCHOOL PROGRAMS
- └ ASSIST THE MADERA CHAMBER OF COMMERCE BUSINESS & EDUCATION COMMITTEE
- └ HELP PRESERVE THE ENVIRONMENT

The program is very easy to join and comes at no cost. All recycling boxes are delivered free of charge to EACH participating chamber member business who enrolls and the U.S. Postal Service will pick-up the boxes free of charge when filled. Through this unique partnership, anyone can drop-off used cell phones and used inkjet or toner printer cartridges. Revenue generated will be directly traced back to our local chamber and school districts via UPC code located on every box.

Remember this program is completely free!

A Proud Partner  
of the  
America's Schools  
Recycling Program
