OPERATION CIVIC PRIDE

Do you know of an area that needs landscaping or would benefit from a landscape or beautification project in Madera?

The Madera Redevelopment Agency and City of Madera Beautification Committee in partnership with the Madera District Chamber of Commerce are now accepting applications for proposals for the "Operation Civic Pride" matching grant program.

This matching grant program is designed to provide schools, non-profit organizations or other neighborhood organizations, such as local service clubs, neighborhood associations, senior groups, church youth groups, Boy Scout and Girl Scout groups, school clubs and organizations, youth sports teams and Boosters clubs, FFA and 4-H clubs, the opportunity to actively take part in making Madera a more beautiful place in which to live, work, or visit.

Grants will be awarded on a project-by-project basis. Funding is to be matched by volunteer efforts and/or matching cash donations. Projects must be within the City of Madera, with the exception of projects located at an entrance to the City that may be outside the actual city limits.

Information packets and applications are available at the Madera District Chamber of Commerce Office, located at 120 North E Street in Madera. There is additional information on the Madera District Chamber of Commerce's website www.maderachamber.com

Completed application packets must be mailed or delivered to the Madera District Chamber of Commerce office. The applications will be reviewed by Chamber Staff for completeness, and then forwarded to the Madera Redevelopment Agency and Madera Beautification Committee for review and recommendation to the Agency Board. The Madera Redevelopment Agency Board will make the final determination of grant awards.

Any questions about the program or completion of the paperwork can be directed to the Madera District Chamber of Commerce at (559) 673-3563. Incomplete applications will not be considered.
